

James Ufland

Managing Associate

ufland.james@dorsey.com

London – +44 20 7031 3749

James advises on M&A, public takeovers and equity capital markets matters, helping UK and international clients navigate complex strategic transactions.

James Ufland advises listed companies, private companies and financial sponsors on acquisitions, disposals, public takeovers, fundraisings and investments. He has particular experience in cross-border M&A and transactions involving UK-listed companies.

His practice combines private and public M&A and equity capital markets experience, including public takeovers governed by the UK Takeover Code, secondary fundraisings, AIM and Main Market transactions, and ongoing listed company advisory work.
