ingram.kendra@dorsey.com
Phoenix – 602.837.3107

Kendra Ingram is a commercial litigation associate who assists clients in navigating complex business disputes. She works to identify the legal and factual issues that matter most and develop arguments responsive to each client's objectives. Her practice includes legal research and analysis, fact development, written advocacy, and assisting with litigation strategies throughout the life of a matter. Kendra also assists clients with regulatory matters, including issues involving water law and water rights.
