Salt Lake City – 801.933.4026

Nolan helps businesses protect their brands and align trademark strategy with their growth in the United States and internationally.

Nolan advises clients on global trademark portfolio strategy, complex IP licensing, and enforcement against competitors. He litigates trademark disputes in federal courts and prepares opposition and cancellation proceedings before the Trademark Trial and Appeal Board (TTAB).

As a former USPTO Trademark Examining Attorney, Nolan brings an examiner's perspective to registrability issues and prosecution strategy. His experience as Corporate Counsel and Director of IP at a respected consumer products company, informs his practical approach to working with outside counsel while aligning brand protection with business priorities.

Nolan's practice also includes UDRP domain name disputes, copyright enforcement, due diligence for IP transactions, design patent prosecution, and AI governance under the EU AI Act.
