

# Peter Knust

## Of Counsel

[knust.peter@dorsey.com](mailto:knust.peter@dorsey.com)

London – +44 20 7031 3723

Peter advises on corporate trust mandates across structured finance, bank lending and private credit, High Yield, and debt capital markets transactions. He helps trustees, agents, and corporate service providers navigate origination, post-closing complexity, and default and enforcement.

Peter has 20+ years' experience of advising the corporate trust and corporate services sector, advising on many of the deals that have defined the London market.

Peter is known for working efficiently and collaboratively with other transaction parties. His post-closing work is a particular strength: Peter regularly advises clients on the contentious issues, restructurings, and consent solicitation processes that arise after a transaction closes.

Peter is recognized by \*Legal 500\* as a Recommended Lawyer and by \*IFLR\* as a Notable Practitioner.

## Select Experience

### Structured Finance & Securitization

- Advised the SPV issuer and the corporate services provider on a series of restructurings across a high-profile receivables securitization program.
- Advised the trustee, cash manager, account bank, paying agent, registrar, and note calculation agent on a privately placed, bespoke repo-backed securitization.
- Advised the security agent on a high-profile defaulted receivables securitization.
- Advised the trustee on disorderly wind down of a vintage RMBS.
