

# Hong Kong's Role in China's Economic Reform: eUpdate Series

---

- **Hong Kong's Role In China's Financial Reform – Punching Above Its Weight – Part 1:** examines Hong Kong's role in Mainland China's economic and financial reforms, and explores the concrete steps taken so far and the proposed through train schemes (dealing initially with stocks, and subsequently possibly with commodities and bonds).
- **Hong Kong's Role In China's Financial Reform – Punching Above Its Weight:** published by the Banking Law Journal.
- **Hong Kong's Role in China's Financial Reform – the Era of the “New Normal” – Part 2:** considers the effect of change of direction in China to Hong Kong.
- **Hong Kong's Role in China's Financial Reform – the Era of the “New Normal”:** published by the Banking Law Journal.
